## **Steeple and Roof Work**

The work on the steeple and rubber roof begins on August 19. Leon's Roofing from Lodi is the contractor for the projects. Cedar shake shingles will replace the existing cedar shingles and they will weather naturally. The rubber roof will be sealed in various places to keep the roof watertight. Memorial funds will cover the \$14,600.00 cost of the steeple work and \$300.00 to seal the rubber roof.
