Gandy Dancer Festival

We will be selling our famous pies at the Gandy Dancer Festival on August 17! If you are able to bake pies, please consider making 3 per household. There is a sign-up sheet and work roster for this event. Pies can be delivered to Dick and Sharon Royston's home on Friday before the event, or bring them to the Westland Promenade by 9:30 a.m. on Saturday.

Shoe Box Brat Fry

There is a brat fry scheduled for August 18 at The Shoe Box. The work roster is filled and will be emailed or mailed to those volunteering to work. Please consider providing baked goods (that do not melt) for the brat fry and bring them to the church by 8:00 a.m., or drop the items off at The Shoe Box.

Steeple and Roof Work

The work on the steeple and rubber roof begins on August 19 and the repair work cannot come soon enough! There has been some leaking occurring inside the church after heavy rainfall. Leon's Roofing from Lodi is the contractor for the projects. Cedar shake shingles will replace the existing cedar shingles and they will weather naturally. The rubber roof will be sealed in various places to keep the roof watertight. Memorial funds will cover the \$14,600.00 cost of the steeple work and \$300.00 to seal the rubber roof.

Taste of Madison

Our church will be selling malt beverages and hard cider at the Taste of Madison again this year on Labor Day weekend. We will need 6 workers for both shifts on Saturday and Sunday. A signup sheet will be in the back of the church soon!

Church Worship

Please thank Karen Kroll, Brian Klaschus, Sharon Craney, and Mike and Phillip Meland who led worship during Reverend Denise's time away. When church members lead worship, we save money by not hiring pulpit supply.
