

Mazomanie United Church of Christ Newsletter

Our Church's Wider Mission (OCWM)

We did it!! We exceeded our OCWM pledge by \$136.00! Thank you for supporting the wider UCC ministry in associations, conferences, and in the national and global church. A brochure about OCWM will be passed out with the current newsletter.

If you would like to donate to OCWM, please indicate OCWM and the amount in the memo line of your check, or mark an envelope with the designated amount for OCWM.

Fellowship Room

The building contractor, NCI Roberts, is asking that the contents of the fellowship room be moved to other areas of the church before the interior repairs begin.

Please volunteer to sort and move items from the fellowship room at noon following church on Sunday, February 2. There may be some items that are water damaged and need to be thrown away. Many hands make for light work and we hope for a good turnout that day!

Literacy Campaign

Our literacy campaign purchased 392 new children's books that Brian Cole delivered to the Sauk Prairie Health Center's Birthing Unit recently. Reading opens the door to children's early academic success, imparts a love of learning and leads to higher grades in every school subject.

In addition to donating books to newborns, our literacy campaign distributes children's books at the Christians in Action Food Pantry each month. The Little Free Library in front of the church encourages people of all ages to take or leave a book to read.
